Students completed an application, picked out prizes, and thoroughly planned the 1920s themed Teen Summer Reading Program *Roaring through a Good Book*, all before 2010 even started! Thanks to their efforts, Youth as Resources, a program of the United Way of Central Indiana, awarded the Library \$817! As Reading Program participants reach predetermined goals, they will be able to win some of the hand-selected prizes. **The program has been opened up to all teens up to age 19!** A walk through the teen area in June will reveal a flapper-era theme and a glimpse at some of the sought-after prizes.
